PIT BIKE OFF ROAD : MTR xzf 125cc new

MTR xzf 125cc new

In MTR we have designed for you a spectacular cross bike suitable for all audiences. A truly competitive bike for the world of cross. A full-fledged SUV.

The MTR xzf naked eye 125 is a dirt bike in the making. XTREME BOX chassis gives it a racing and sports vision. A pit bike really made a conscience to the world of cross. The rocker will assemble one extra long 430mm wheelbase to give more poise on each skid.

As for brakes, ventilated disc mounted 220mm front and 190mm rear, the larger ones for pit bikes accompanied by some powerful brakes that will make the security and control over all this.

The MTR xzf tires mounted 14 "front and 12" rear getting this chassis have a seat height 82ctmos down.

As for the aesthetics include its incredible design inspired TTR more racing Yamahas with decoration made of carbon and very graphic, make this pit bike good bike besides the view is spectacular.

A spectacular, beautiful and you get to make the most pit bike. Any parts that you need to find what makes or enhanced without problems here.
