OIL : Oil castrol power 1 racing

Oil castrol power 1 racing

POWER1 Castrol 4T with Power Release Formula is manufactured for bikers who demand the most from your engine and go to limite.Se bancoso has tested and proven in the street for exceptional acceleration with a simple touch of the accelerator while flowing quickly and it reduces internal engine friction. The formula Release Power allows the lubricant to flow quickly and reduce internal engine friction minimizing power losses.

Castrol Power 1 4T 10W-40 is designed to optimize performance and protection of modern motorcycles where a lubricant quality API SJ and JASO MA2 is recommended.

Data from the tests shown as Castrol Power 1 4T 10W-40 obtains a 6.9% improvement in acceleration performance compared to a 20W-50 lubricant market overall
