Gloves : Gloves off road MTR

Gloves off road MTR

Gloves Motocross Off-Road brand Shiro

They are designed to be worn gloves off track. They are very light and are usually made of breathable materials. They offer less resistance to abrasion, so they are not recommended for use on asphalt.
Ensure a good grip on the controls. New technologies enhance breathability and performance generally a must have for your outings.

Sizes available for children (Check)

Characteristics:

· Lightweight and ventilated off-road racing.
· Equipped with simplicity, safety and comfort.
· Made with elastic Lycra materials for flexibility, providing an ultra-lightweight feel.
· Rubber protectors on fingers and back.
