Boots : Boots on road red

Boots on road red

MTR has designed exclusively supermotard boots to suit everyone. Colors red. These boots made in pakistan are of high quality with rubber outsole and reinforced tip in TPU, with which you will avoid great wear in the area of rolling.

The boots are made of cowhide leather, with a quilted synthetic mesh lining. It has external TPU protections and the whole mold made of hardened plastic to guarantee maximum life against asphalt.

The fit of the boots to our leg is perfect and ergonomic. It has a resistant vertex flap and zip closure.
