ON ROAD WHEEL : Rims MTR 4 hole black

Rims MTR 4 hole black

Lightweight rims MTR 4-hole black.

MTR continues to innovate and has manufactured for you exclusively these 4-hole lightweight wheels, so you can reduce your weight on your bike but without having to change the entire transmission, with the extra cost that would take you.

The lightest of the market within the 4 hole, with only 5,2kg the couple !! Get up to 3kg less on your bike with these tires.
