MTR SX 125CC, THE SCOOTER FOR EXCELLENCE FOR ALL PUBLICOS

MTR proposed a long time ago to be a reference also in the motorcycles registered and proof of this is that since its first enrolling does not stop surprising us with new models. This time we are surprised with a 125cc scooter ideal to move around the city at a very low cost for both men and women. The Sevillian brand bets on this great scooter to gain a foothold in the world of two registrable wheels.

This SCOOTER mounts a 125cc engine with 8.4cv, which only consumes 2,788 L / 100km, one of the best consumption records in the market. It has numerous quality details, boot lid in steel and not plastics from other manufacturers and many more details that will make you choose our brand.
