Boots : Boots short for children White

Boots short for children White

Children's boots with short cane ideal for the supermotard. Manufactured and designed exclusively by MTR.

These boots are made with high quality cow leather. It also includes protections against asphalt in the heel, high ankle and toe, to protect against any fall or slip.

As a novelty, MTR has implemented an air window on one side to encourage indoor ventilation. It consists of lateral zip and vercro to guarantee a comfortable fixation to the foot.

They are very comfortable and comfortable and are also amazing to look at !! Without a doubt a great success in the manufacture of these boots.
