Gloves : Gloves SM MTR leather cow

Gloves SM MTR leather cow

MTR SM gloves for adults in bright colors. Novel design with non-slip smooth leather floor.

It consists of multiple perforations for the breathability of the hand as well as air inlets in the back to the knuckles.

Resistant kevlar thread, made of leather and anti moisture and anti parasite materials.

It consists of kevlar protections on knuckles, wrist and palm. With two fixings to our hand you will find the most comfortable that you have ever been able to be with gloves. Without a doubt the best choice.
