OIL : Dry grease and degreaser kit.

Dry grease and degreaser kit.

Dry grease and degreaser kit.

An ideal kit to keep our pit bikes in optimal condition.

With degreasers suitable for all types of surfaces as they do not contain corrosive chemicals, we will achieve a perfect cleaning on our pit bike, car... or any surface. Cleans and degreases effectively.

Subsequently, we put dry grease on the chain and lubrication parts. With dry grease we prevent corrosion and also considerably extend the life of our chain by preventing dust and dirt from adhering to the metal.

CHARACTERISTICS:
• Avoid squeaks
• Provides long-term protection against wear.
• Does not attract dust or dirt.
• It can be used in precision mechanics.
• Permanently resistant to water, acids and alkalis.
• resistant to temperatures from -180°C to + 260°C (short term)
• DOES NOT contain mineral oils
• Does NOT contain silicone
