EEC MTR : MTR GRAND TOUR 125cc SILVER

MTR GRAND TOUR 125cc SILVER

MTR BIKES proposed a long time ago to be a reference also in motorcycles registered and proof of this is that since its first enrolling does not stop surprising us with new models. This time we are surprised with a 125cc maxi scooter ideal to move around the city at a very low cost. The Sevillian brand is committed to this great scooter to gain a foothold in the world of two registration wheels.

This SCOOTER mounts a LONCIN 125cc engine with 11.56cv, which only consumes 2,56 L / 100km, one of the best consumption records in the market. It has numerous quality details such as the logo of the brand in chrome, start cap in steel and not the plastics of other manufacturers and many more details that will make you choose our brand.
