EEC MTR : MTR SCRAMBLER 125cc

MTR SCRAMBLER 125cc

MTR SCRAMBLER 125CC, VINTAGE MODE ON!

MTR set out a long time ago to also be a reference in registerable motorcycles and proof of this is that since its first registration it never stops surprising us with new models. On this occasion he surprises us with a 125cc SCRAMBLER, ideal for moving around the city at a very low cost. The Sevillian brand is committed to this vintage model that will surely bring great success.

This SCRAMBLER has a 125cc engine with 10.50hp, which only consumes 2.5 L/100km, one of the best consumption records on the market. It has numerous quality details such as carbon details, metal tank, leather-upholstered seat and many more details that will make you choose our brand.
