SEAT : XZF 250R Seat

XZF 250R Seat

The seat for the MTR XZF 250R is designed to provide a comfortable and stable riding experience, both for daily use and sporty riding. Made from wear-resistant materials, it offers a precise fit on the motorcycle, maintaining the original aesthetics and functionality.

Its ergonomic design helps improve the rider’s posture, reducing fatigue while riding and ensuring durability and comfort on every journey.
