Racing clothes : Adult MTR motocross OFF ROAD suit

Adult MTR motocross OFF ROAD suit

The **MTR complete motocross gear set** has been designed for riders aged 14 and over who seek a balanced combination of durability, performance, and comfort, both for intensive training sessions and competition.

It is made from **600D Cordura polyester**, a highly wear-resistant material ideal for demanding off-road use. The interior features **breathable micro-mesh** and a **soft-touch lining**, enhancing ventilation and comfort even during long riding sessions.

The pants include **reinforced knee panels combined with internal foam padding**, providing enhanced protection and effective impact absorption in one of the rider's most exposed areas. **Elastic panels at the waist, back, and crotch** ensure full freedom of movement, allowing natural motion during jumps, cornering, and acceleration.

The waist features a **non-slip grip band** to keep the gear securely in place while riding, while the **removable rubber pad on the inner thigh** adds extra protection and allows for a more customized fit.

Available in a range of sizes and colors, this MTR gear set combines safety, comfort, and an attractive design, making it an ideal choice for motocross and enduro riders.
